

Fiscal Year 2017 FACT SHEET

CCAR Industries' mission is to provide community-based services and supports that enhance the quality of life of East Central Illinois citizens with developmental disabilities and/or other functional limitations throughout their lifespan.

\$5,874,667 was spent on staff and consumer wages and benefits!

The agency employed 157 staff members at the close of the fiscal year.

Over 100 day program consumers earned wages.

\$167,213 was spent on food and household supplies.

\$151,730 was spent on other local goods and services.

\$86,177 was spent on building and maintenance supplies and services.

Early Intervention served 213 children and families in Coles, Clark, Cumberland, Douglas, Edgar and Shelby counties. They hosted 3 summer playgroups, a Halloween playgroup with trick-or-treating and 3 community-based playgroups.

Client & Family Support served 89 individuals in Coles, Douglas, Cumberland, Edgar and Effingham counties. They continued to support individuals who live on their own or with their families in the community by assisting with activities such as grocery shopping, visiting the doctor's office, going to the laundromat and maintaining their homes. They still made time for some "fun" activities like watching the St. Louis Cardinals play and going to the fair.

24 Hour Residential served 51 individuals in 12 homes in Charleston. This includes the agency's children's group home. Residents enjoyed an array of community activities that included visiting Champaign, Camp New Hope events and routine shopping trips.

Developmental Training/Vocational Services/Job Placement served 74 individuals through their Supported Employment and Developmental Training services and 36 individuals through their Placement Program. Individuals earned \$145,273 from manufacturing work and \$80,135 from performing janitorial work. (This does not include the wages earned in competitive community jobs!)

Developmental Training/Adult Day Services/Recycling served 111 individuals. Program participants earned \$74,563 from recycling work. They recycled 1,201,078 pounds of material! In addition, they continued to host fundraisers, have parties, visit local businesses and participate in a variety of leisure activities at the program.
